FREQUENTLY ASKED

Common questions

How does the transaction fee work?

We take 5% of every brand-store sale across all paid tiers. Stripe takes their standard processing fee separately (typically 2.9% + \$0.30). Your custom markup goes directly to your bank account via Stripe Connect, daily.

What counts as a "brand store"?

One organization's storefront on its own subdomain or invite-only access. Multi-tenant orgs (e.g. a sports league with 12 teams) can run sub-collections inside one store, or split into separate stores on Pro / Enterprise.

Can we white-label the storefront?

Yes — Pro tier and above include custom subdomain support (shop.your-org.com), full brand kit application (colors, fonts, logos), and removal of all Swag Dimension chrome. Visitors never see SD branding unless they look closely.

Is there a contract?

No. Monthly billing, cancel anytime. Annual prepay available on Growth and Pro for a 2-month discount — email sales@swagdimension.com to set up.

Do you offer a nonprofit discount?

Verified 501(c)(3)s receive their 14-day Growth trial extended to 60 days. We're working on a discounted nonprofit tier — email hello@swagdimension.com to be on the waitlist.

Bulk-order discounts?

For 200+ unit programs, get a custom quote at swagdimension.com/quote — typically 15–30% below standard catalog pricing depending on volume + lead time.

What's the partner program?

20% lifetime commission on platform fees from every brand store you refer. Built for consultants, newsletter operators, and creators with audiences that overlap our target segments. Apply at swagdimension.com/partners.
