SPECIFICATIONS

Materials

Stainless steel (vacuum-insulated tumblers + bottles), borosilicate glass (mugs + carafes), or ceramic (mugs). Lids are BPA-free. Insulated bottles keep liquid hot for 12+ hours, cold for 24+.

Care

Hand wash recommended for printed exteriors. Most insulated tumblers are top-rack dishwasher safe but the print lasts longer with hand washing. Don't microwave stainless or insulated bottles.

SIZING

TYPE	CAPACITY
Mug	11–15 oz
Tumbler	20–30 oz
Water bottle	24–32 oz

FREQUENTLY ASKED

Is this dishwasher safe?

Yes for most ceramic mugs and stainless tumblers, but the print holds up better with hand washing. Always check the blueprint description for the specific item.

How long does the insulation last?

Vacuum-insulated stainless keeps drinks hot 12+ hours and cold 24+ hours. Single-walled mugs are not insulated.
